Data sheet of the play “Oscar”

Title: Oscar **Category:** Comedy/Drama **Author:** Sebastiano Bazzichi **Director:** Sebastiano Bazzichi

Synopsis

Chris and Bob have a problem: they have to decide which one will take care of their dog, Oscar. Lack of communication will lead them to hurt each other, creating different situations: some embarrassing, others funny. The two, helped by their respective best friends, Beth and Gary, fighting for the dog, pull out disagreements that have long been hidden as resentment, frustration and misunderstanding, venting their respective malaise, guided by the firm intention not to give in to each other. Three unexpected intruders will complicate the situation by adding a bit of chilli to the already abundantly spicy relationships of the protagonists..

Acts: 2 **Actors:** 7 **Duration:** 1h 30' except intermission

Performers: Sebastiano Bazzichi, Sabrina Maggiani, Alex Vigeni, Jasmine Volpi, Serena Canali, Lorenzo Tassiello, Laura Morelli

This sheet shows the optimal requirements but the scene can be partially adapted to the available spaces. In this case contact the company for a preliminary evaluation.

(Sebastiano 335-8097874).

The company requires the following technical equipment:

LIGHT SYSTEM:

- Basic light system. A single lighting. The scene will be illuminated in a balanced way throughout the stage space throughout the show; some scenes are set during the day and will have more light intensity, others are set in the evening (late afternoon) and will have less light intensity.

SOUND SYSTEM:

- Audio system with amplification for broadcasting stage music

TECHNICAL STAFF:

- The Company has its own Audio-Video technician. The presence of at least one technical manager of the theater during the lights setting and the connection to the audio system is required.

- The Company provides for assembly-disassembly.
